

Dancers Presentation Cheat Sheet

Please find all of the information regarding your dancer's performance/pictures presentation looks. Make up, hair and notes about costumes can be found within this cheat sheet. We tried to keep things to the basics but if you have outstanding questions please do not hesitate to ask. All of this information (and more) is available on our website under the Parent Page.

Basic Stage Make-up:

Due to the number of stage lights and distance, a child's features will be washed out and faded without some sort of accent. The stage make-up ensures that your child's beautiful eyes and smiles can be seen regardless of where you are watching from. A simple application of make-up will add the necessary emphasis to their features. It should also be noted here that all dancers- young and old, male or female need make-up while going on stage.

Make-up Breakdown:

1. Face: Foundation (liquid or powder)- One shade darker than skin tone. Add a strong blush in a pink color
2. Eyes: Black Eyeliner top ONLY extending slightly past the eye. Eye shadow in a smoky color palette (i.e. browns). Dancers Edge requires all competitive groups wear false lashes for competition and recital. Using false lashes will help our eyes to pop on stage and give an extra bit of style to your presence on stage. Lashes can be purchased for about \$5.00 a set at Walmart or a pharmacy (lashes can be used more than once if cared for properly).
3. Lips: Darken the lips by outline with a liner that matches the lipstick. Please choose a red or plum shade that is about medium tone, not too dark in shade as we want our features to be exaggerated but not ghoulish.
4. Add a translucent powder to finish the look- to protect make-up from sweating under the lights.

If your dancer is in multiple dances you will probably need to do touch ups along the way.

More resources and tips can be found on our website under Parent Page and the password is iloveDE.

All competitive dances require diamond earrings to be worn at competitions and recitals. Please ensure these are stud earrings. Dancers Edge offers competition approved stud diamond earrings and they can be purchased at the office for \$14.99

When tights arrive, you will be notified. Please treat these like part of your costume and keep them in a safe place.
